DAY HABILITATION WITHOUT WALLS

Our Day Habilitation program provides individuals with specialized care and attention in order to assist them in developing competent skills which are necessary for community integration. We aim to have a pleasant and enjoyable environment focusing on a variety of activities pertaining to nutrition and healthy eating, interpersonal skill building, money management, personal hygiene and much more.

We work with many volunteer sites and have weekly recreational trips.

QSBC Day Habilitation without walls is a community based geared to blend individuals with the community at a large.
