

Quality Services Beyond Compliance

Community Habilitation services

Quality Services Beyond Compliance currently provide Community habilitation services for families in Queens, Brooklyn, Bronx, Manhattan and Staten Island. These services are provided in the home and are geared towards increasing your child's independent living skills. Our effective services will help your child adapt more to home environment and in special cases will help your child prepare for residential living. Our polite, personable and experienced workers will assist your child in the following areas:

Activities of Daily Living: *personal hygiene, grooming skills, toilet training, clothing care, household chores and meal preparation.*

Socialization: *Self direction, social interaction, social rules, social distance.*

Community Inclusion: *Exploring the neighborhood, using community resources, interacting with non-disabled members of the community, and learning to identify important members of the community.*

Cognition: *reading, writing, storytelling, table top activities, games and art.*
